

Greetings! Highway Legends members and to everyone considering membership.

Welcome all new members! Two planning sessions in the books. Armed Forces day parade on May 16th, our first cruise is on May 21st, General Brown day parade in Brownville on May 30th. We are off to a great season of enjoying our rides and the friendships that go with it.

As a reminder, please RSVP for parades. Email ronmitchell47@gmail or call me at (315)523-1671. Our goal is to provide exciting activities for everyone. Some dates will conflict with family schedules and other events. In our busy schedules there is no time for boredom and the cruise season is short.

We thank everyone for their support and ideas. Some observers have said, "Highway Legends is the fastest growing car/truck club in the area." We are honored and humbled. Our team of officers and staff will continue to work hard to provide an organization that you will be proud of.

We encourage everyone to get pictures of their rides on the website. You can send photos yourself. Follow the directions that David, our webmaster, has for you. Nickie will be available at the events if you want photos. These will be a modest fee to cover expenses. We also encourage you to write a description of your ride, modifications and future plans. Remember, your ride doesn't have to be perfect. A little rust, a few dents, interior not perfect---- Aren't they all projects? Put a photo on the site anyway. All of us can relate!

For the first year, we are testing ideas, give us a feedback. Team effort. Together everyone achieves more. That said we do need volunteers for different functions. Talk to anyone of the officers, they all can use a hand.

We encourage you to invite your friends and family to visit the website at www.highwaylends.us. A huge THANK YOU to David for developing and maintaining a terrific website. If any of you have a business or know someone who needs a website, please refer them to David. They won't be disappointed and they will increase business. David and his family enjoy the car and bike hobby, plus they are great people—get to know them.

Please let everyone know that all of our events are open to the public. Lot's of people like to look at the cars and trucks. Get them out of the garage, life is short, enjoy and burn some rubber.

Ron, Mike and Officers of Highway Legends
