

AUGUST NEWSLETTER

Summer is going by faster than a hot rod with nitrous. Jack & Char's Car-B-Q was a great success in spite of the rain. It looked like tent city and a few of us drove our rides in. It was a great day of fun, friendship, car talk and great food. Many thanks to the master chef, Ken. Not only does he sing great, his cooking skills kept people coming back 2 and 3 times. I was decided to make the Car-B-Q an annual event. Thank you to everyone who participated and many thanks to Jack, Char and Ken. What they have done for Highway Legends is fantastic. The Club wouldn't be what it is now without them. It's also important to say thank you to everyone who comes to the cruise ins as well as everyone who works. Gabby and her team have done an outstanding job of promoting tickets and thank you for supporting the 50/50.

Philly Fuels fundraiser for the Heart Association was a success. Thanks to all of you who participated. We have so many great ideas and so little of summer. Some great events will have to wait until next year and we plan on having 2010 calendars out early so you can plan.

This month, we have two important dates.
August 21st -Cruise to Power House at Central Square, NY. For those of you who want a new cruise experience. Check out their website www.powerhousehotrods.com What you see on the website is what you will see in person. High horsepower toys, talk to the guys, get great ideas and great prices on the "future" parts you will need. You will visit the shop up close to see their projects.

Leave 759 Starbuck Ave., Watertown NY at 5:00 PM or meet us there.
Directions: Take Rt. 81 South to Central Square exit, turn left, travel short distance, look for garage on right (sits back of the road) call Ron 315-523-1671.

R. S. V. P. would be appreciated as Power House will have hot dogs for us.
